A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

A bustier Angie Sward (seen here sucking on a dildo in preparation for her hardcore debut in the DVD/VHS *My Boob Heaven)*, the first tit-to-tit pairing of Linsey Dawn McKenzie and Kelly Kay, and a slimmed-down (but still stacked) Susie Wilden all helped make the May '05 issue of *SCORE* a keeper. Readers are debating whether or not 19-year-old Kelly is Linsey's boob equal. What's your opinion on this vital matter?

IS KELLY KAY THE NEW LINSEY?

Dear *SCORE*,

In the May '05 issue, you asked about Kelly Kay, "Is she LDM's equal?" Judging by the pictures of her and Linsey together, I'd have to say that Kelly is damn close.

Time will tell, of course, whether Kelly has Linsey's longevity and impact on the big-boob modeling world. It never ceases to amaze me that Linsey's appeal is so timeless. Time and again, she gets me hard.

I think, though, that Kelly is very competitive with Linsey in terms of the size and fullness of her breasts and the overall shape of her body. Kelly exudes a sexiness that is rare in an 18-year-old. Of course, Linsey has been modeling for a long time, so she knows how to make herself look great for us.

Either way, both girls stand on their own as great big-breasted models, and I'd be proud to walk down the street with either of them.–C.L., New Hyde Park, New York

SUSIE'S A *SCORE* GIRL...AGAIN!

Dear *SCORE*,

The full-size posters of Crystal Gunns and Sharday made the May '05 issue worth the money.

Susie Wilden has done a great job in taking off the pounds that kept her in *Voluptuous*. Her tits and nipples were enough to get me jacking really quickly. Her thick pussy lips and nice brown-eye caused me to do some heavy-duty pumping. I used up a lot of lubricant when I got to the dildo and finger-insertion shots. I hope that there are plans to feature Susie again soon.

Is this the first time you have done an "On The Town" feature, or was I asleep when it was done before? If this has appeared before, keep up the good work. If it has not appeared, keep featuring other women in similar layouts.

Angie Sward growing a full cup size bigger has done a lot to improve her look for *SCORE*.

Kelly Kay just does not compare to Linsey ("Clash of the Super-Naturals"). LDM is the gold standard for big tits, great body, nice face, great pussy and ass. Many models have been compared to LDM and none have beaten her so far.–J. in California

Dear J.: Sucking and fucking real cock on film has also done a lot to improve Angie Sward's look for SCORE. *She can be seen doing her first boy-girl in the new DVD/VHS* My Boob Heaven, *available on pages 114-115 of this issue. Denise Derringer also gets fucked on film for the first time in that vid.*

YA CAN'T ARGUE WITH THIS GUY

Dear *SCORE*,

Is Kelly Kay Linsey's equal? Who gives a fuck? All I know is that there isn't a guy in the world who wouldn't gladly blow his load all over either one of their chests.–V.S., via email

SCORE: SAVING BIG-BOOB LOVERS FROM CRAP SINCE 1992

Dear *SCORE*,

Well, you really surprised me today when I picked up your latest issue (May '05). Thank you, and I loved the idea of a full-size poster of Crystal Gunns on one side and Sharday on the other. Wow! Boob Cruise, *SCORE* playing cards, *SCORE* Christmas labels and now a life-size poster. As I have said before, you are truly the best and original big-boob magazine. Just think: If you never came out in '92, we'd be reading crap.–M.Y., via email

WHICH GIRLS FUCK BETTER?

Dear *SCORE*,

I've been having an argument with some friends of mine. I say that girls with big, augmented tits are more likely to be better fucks than girls with big, natural tits. What do you think?–F.B., Buffalo, New York

Dear F.B.: This is way too controversial an issue for us to come down on either side of. While it's possibly true that any girl who would go out of her way to get big, augmented tits is likely to be a great fuck, we've known some great natural fuckers, too. Readers, what's your opinion?

IN DEFENSE OF DANNI ASHE

Dear *SCORE*,

I have to disagree with L.P.'s comments in the May '05 issue of *SCORE* regarding the nomination of Danni Ashe as Model of the Year. This reader obviously is not a *SCORE* fan from way back, and if he were a long-time reader, he would have known that Danni Ashe has appeared in previous issues of *SCORE*, has her own web site and has successfully built a business around big tits. She has done a lot more than the one feature he referenced.

"Start Your Engines For E-Cup Denise Derringer" (May '05) was one of the better features you have carried in some time. Denise has a terrific smile, hot tits and a great pussy. She has kept herself in fantastic shape and gets my heart started and my stick hard for a great cum.

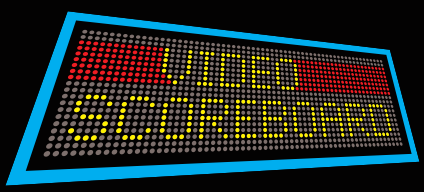
Susie Wilden is still a little too heavy for my taste, and while some guys might like her "slim 'n' stacked" look, I think she belongs in *Voluptuous* and not *SCORE*. Her tits are too floppy for me.

Taylor Wane as a head nurse in the Xtra section was the best feature of this issue. She has definitely kept herself in shape and still has the best-looking face, tits and ass of most of the younger women you feature. Just imagining myself with her was enough for me to blow a huge load. Do we get another feature of her soon?

The *SCORE* Girl on the Town with Lori Pleasure was super. Any plans to include some of the other featured women in similar layouts?

I had to rest for a while before I could work up another load of cum for the Dawn Stone "Jungle Fever" feature. This is definitely a different Dawn Stone. Whatever changes she has made have been super. Once I got to the dildo spread, it was all I could do to keep from spraying her picture.–Marty, Rancho Cordova, California

Lori Pleasure, who likes going shopping with her tits out, was our first *SCORE* Girl on the Town in the May '05 issue. We also got to see "Jungle Girl" Dawn Stone spreading her pussy, Denise Derringer accessorizing a fast car and Taylor Wane doing what all nasty, big-titted nurses should do: Give it up for their patients.



OUR TOP 10 BEST-SELLING VIDEOS

1 *VOLUPTUOUS XTRA #9*

READERS TALK, *SCORE* LISTENS. BUT WILL DIANE LISTEN?

Dear *SCORE*,

Having been a *SCORE* and *Voluptuous* subscriber for many years, I want to congratulate you on the consistent success of your magazines, videos and websites. A large part of your success comes from listening to your readers and offering what they want to see.

In recent years, adult internet sites have caused men's magazines to evolve towards more explicit content. *SCORE* has responded to its readers' wishes and has become a trendsetter. This has involved the creation of *SCORE* Xtra, which includes a range of explicit photos on many subjects for readers who enjoy hardcore sex scenes. Many adult film stars also are featured in *SCORE* pictorials in a variety of scenes and explicit content.

While explicit photos in *SCORE* have never been vulgar or degrading to any of your models, they may prove daunting to a young *SCORE* newcomer. I'm glad that *SCORE* has not forgotten it's roots and still includes "softer" pictorials like that of 18-year-old Diane from Scotland in the February '05 issue. Many of your readers still enjoy a newcomer who may not show all the first few times yet with experience and confidence reveals more and goes on to become one of your best-liked models. Nicole Peters, anyone?

In time and at her own pace, Diane may become another one of your top models. She has all the right attributes: slender body, huge bust, camera presence and a lovely face and smile to match.–Jack, via email

THE ORIGINAL NATURALS

SCORE'S 20 GREATEST NATURALLY STACKED BABES, CIRCA 2001.

It was a special issue filled with special models. In September 2001, *SCORE* was closing in on its 10th birthday, so we decided to devote our annual all-naturals issue to the 20 greatest naturally stacked babes to ever appear in the magazine. We reviewed every natural titter who'd ever been in *SCORE* and painstakingly whittled the list down to our best-of-the-best. The result was one of our top-selling issues ever, and just by looking at the ladies on these nine pages, you can see why.

SYLVIA PANDA

DEVON DANIELS

RHONDA BAXTER

KERRY MARIE

Some of our choices for that September '01 issue were no-brainers (Linsey Dawn McKenzie, Chloe Vevrier, Devon Daniels, etc). Others were controversial: Where were Fae, Carol Brown, Lisa Miller, Heather Michaels and Vanessa? But the quality of the final product–164 pages of natural big-tit goodness–was undeniable. It was a collectors piece.

The September '01 issue has long since soldout and can be found only at collectors auctions. But now, for the first time, there's a way for you to get your hands on that issue. Subscribe to Scoreland.com through the special readers-only URL www.scoreland.com/naturals and you'll get free access to the digital, PDF-format version of the Sept. '01 issue that's posted at Virtual-Newsstand.com. But act now! This offer expires August 15th.

Many great big-breasted naturals have appeared in *SCORE* since that September '01 issue. In fact, two months later, a teenager named Sharday came onto the scene...and made us cum! And the tits have kept on coming! So many that we wondered, "How do the New Naturals–the girls since September '01–compare to the Original Naturals?"

VIA PAXTON

CHARLOTTE

LISA PHILLIPS

JEANNINE OLDFIELD

Now you've had a chance to review the 20 girls who graced the September '01 issue. The rest of this issue is devoted to the new breed. The New Naturals. How do the New 12 compare to the Original 20? If we were to do another "20 Greatest Naturals" issue today, which of the New Naturals would be on that list? Which of the Original 20 would remain? Which wouldn't survive? So, enjoy this issue. And when you're done, send your Top 20 list to: *SCORE's* Greatest Naturals, 1629 N.W. 84th Avenue, Miami, Florida, 33126. Or email your list to score@scoregroup.com.

AND NOW, THE NEW NATURALS...

The NEW naturals

"The best thing to come out of Germany since Chloe Vevrier," is what M.L. from Chicago called Nadine when she finished fourth in the 2001 Newcomer of the Year Contest. And that was before this young beauty fully developed as a model. Nadine made her *SCORE* debut as the covergirl of the February '01 issue next to the headline "Best Tits Ever," but tits were just about all we saw of Nadine, who treated us to only a glimpse of her pussy hair. So, seven months later, when *SCORE* chose its 20 greatest naturals, Nadine wasn't in the bunch. She was a great work in progress.

These photos, shot by the folks at Danni.com, show a woman in full bloom, aware of her sexuality and eager to project it. Since her debut, Nadine's breasts have grown a full cup size, and although her posing still isn't explicit, she is proof that a woman doesn't need to use dildos or have sex on camera to be hot. As C.R. wrote when Nadine finished sixth in the 2004 Model of the Year contest, "Would I like to see her pussy? Sure. Do I need to? No. I need to see her tits."

We need to see Nadine.

BOOB BEAT

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

"THIS CHEST FOR RENT!"

SHE SAID, "PLEASE PUT YOUR AD ON MY TITS!"

"ADVERTISEMENT SPACE FOR RENT ON MY CHEST, CLEAVAGE AND BREASTS!"

So began lovely Catherine Kunt's ad on the eBay.com auction website. It continued, "My idea is that for four weeks, I will put your removable company logo, band or advertisement on my chest area for promotion purposes. During those four weeks, I will give you 30 hours a week at various locations in the Miami-Dade or Broward County areas of your selection. Your logo will be sleekly placed across my chest for optimal viewing. I am a very educated, tall 21-year-old who is outgoing and lots of fun! I can't wait to have my breasts, chest, boobs and cleavage working for your company. You will be very pleased."

After over 60 bids, Catherine's chest space earned her almost $5,000, thanks to a winning bid from Golden Palace Casino, the Internet gambling company. This is the same company that bought the Virgin Mary grilled cheese sandwich and, more recently, one of Tawny Peaks' implants for over $16,000. They also bought chest space from a gal in Glasgow, Scotland who has 42GG boobs on an *XL Girls*-type body.

A South Florida nightclub promoter, Catherine visited the *SCORE* building, where Boob Beat hooked up with her for a chat about her chest.

SCORE: Where did you get the idea for becoming a walking ad?

Catherine: I saw that someone had sold advertising space on his forehead for $3,500. I thought I could earn as much with my chest. A lot of people had already started selling space on their foreheads, but no one had done the cleavage thing.

SCORE: What are you going to be wearing on your chest for the winner?

Catherine: I'm going to be wearing the logo GoldenPalace.com in black lettering. Something very simple.

SCORE: What will you use for lettering?

Catherine sold chest rights on eBay for a tidy sum. We're proud of her.

Catherine: They want me to use henna, so I think I'm going to get a henna tattoo. That usually lasts between two to four weeks.

SCORE: You're a club events promoter, so I'm assuming you'll be showing the ad at the parties you organize.

Catherine: I'll be at fetish parties and also at Goth clubs, and I'll also be at public places like the beach and at different malls for 30 hours a week for 120 hours for the month. I'll wear low-cut tops so the ad can be seen.

SCORE: What size bra do you wear?

Catherine: I wear a 34D.

SCORE: Are you going to do this again, or is this just one time?

Catherine: I was thinking it was going to be one time, but if it goes well, I was thinking of doing it for other companies or for Golden Palace again.

SCORE: Now, the eBay people had no issues with this?

Catherine: Not at all. After the forehead thing, they publicly stated that they had no problems with it.

SCORE: What have your friends said about this?

Catherine: They thought it was a good idea. It's almost like working at two jobs.

SCORE: You're going to have to get used to people looking at your chest all the time.

Catherine: [Laughs] I'm used to people looking at me, so I might as well give them something to really look at, right?

SCORE: Well, Catherine, we'd like to wish you good luck. It sounds like the start of an exciting side career for you.

Catherine: A cleavage modeling extravaganza!

Got a chest-ad job for Catherine? You can email her at Catherine Kunt@yahoo.com. Not long after our chat with Catherine, magazine model Shaune Bagwell, former wife of Houston Astros first baseman Jeff Bagwell, also sold 30-day cleavage rights to Golden Palace. It looks like the start of a fad. Will it last or fade? Time will tell.

FOR DANISH LOVERS

Below, you can see why Denmark is the world's happiest nation. Introduced in the March 2005 edition, fresh-faced 19-year-old Diana is a Danish student who loves fantasy movies and books such as *Clan of the Cave Bear, Lord of the Rings* and similar garbage.

Diana says that "guys tend to focus too much on my breasts." That's understandable considering that she says she "rubs cream on them daily so they can be really soft." Pass those jack wipes, will ya, bro?

Did you know that Danish guys ask Diana questions about her boobs about "30 seconds after they meet her"? They ask Diana such intriguing questions as, "Are they real?" "How big are they?" and the ever popular, "When can I see them?"

The comely co-ed claims she's sexually assertive and reveals that sucking cock is her favorite way to make a man cum. We always said that the Scandinavians really have their act together.

"Sex is very important to me," she said. "I get irritated when I don't get enough. I have it as often as possible."

Spoken like a true Danish pastry. Diana said she wears a bra all the time, buys them right off the rack and likes to wear white or black demi-cups. She says she doesn't dress to emphasize her boobs. That's a shame.

Diana modeled for *SCORE* because she justwanted to try it, and she recently posed again, this time playing with a fuck-toy at our request. Look for that layout soon in an upcoming issue.

So young.
So busty.
So wet.

TAWNY'S BASH-BOOB AUCTION

In 1996, the Diamond Dolls club in Clearwater, Florida got national publicity when a customer sued them, claiming he suffered a whiplash injury when Tawny Peaks swung her tits in his face.

"It was like getting hit by two cement blocks," said Paul Shimkonis in a quote repeated in numerous newspaper and radio items. Even *Newsweek* printed it.

Nearly two years later in 1998, the case wound up not in real court but on TV's *The People's Court.* The judge on that show was former New York Mayor Ed Koch. Although Tawny was never sued, she agreed to appear on the show as a co-defendant to put an end to the matter. Koch instructed his female court officer to take Tawny into his chambers to examine her famous mega-boobs and see if they matched Shimkonis' observations. They were found to be soft and pliable. Koch ruled in favor of Diamond Dolls and Tawny because the plaintiff took so long to see a doctor and because an MRI showed no neck or back damage.

Tawny had her size 69HH implants removed in 1999 after retiring from dancing and modeling.

"They were like really big, crazy big," she said about her famous boobs. Six years after kissing away her past, Tawny is now a married homemaker and mother of three living quietly in the Detroit area.

After recently seeing a TV story about all of the off-beat items selling on eBay, Tawny found her implants in her closet and decided to resurface to auction one. The winning amount, after 100 bids, was $16,766, bid by the online gaming company Golden Palace Casino.

Besides the signed implant, Golden Palace gets a photo of Tawny Peaks signing the implant and an autographed copy of the court documented complaint. Tawny will keep the other implant as a memento of her former life.

THE WILD WILD BREAST

Will Smith wants female fans to stop asking him to sign their tits because he doesn't want to upset their boyfriends.

Smith says he hates signing fans' breasts because most of the time their boyfriends are witnessing the event.

"Chicks asking you to sign their breasts is weird, to just pop out in a public place," he said. "Their boyfriend sees that I signed their titty. That seems strange to me."

TAPE BUSTER

Even other superstacked babes marvel over *SCORE* Model of the Year Linsey Dawn McKenzie as they thrust their beauties forward in Costa del Sol, Spain. The girls are, from left to right, Iva, Marketa, Linsey, Ines Cudna and Veronika. Veronika was LDM's partner in her XXX threesome for *Maximum Insertion,* and Ines paired off with LDM in that DVD's girl-girl. Iva and Marketa fuck in *Hard SCORE #1,* and Iva, Marketa, Ines and Veronika co-star in the XXX-rated *Busty Euro Maids.*

Iva, Marketa, Ines Cudna and Veronika are boobified by Linsey and her ticker tape.

Taylor Wane: Our kind of nurse.

NO SPONGE BATH FOR YOU!

For years, one of the most common sexual fantasies found in the mammalian section of the male brain has been the nymphomaniacal nurse who dresses to look the part. For the perfect example, take Taylor Wane from her May 2005 *SCORE* Xtra pictorial. But that fantasy could soon become a relic.

A study published in Britain's *Nursing Standard* asked 2,154 British males if they think nurses are sexy, and the number who agreed with that observation has halved in 10 years from 10% to 5%. Meanwhile, Australian nurses have succeeded in ending the advertising for a naughty nurse costume sold by Bras 'n' Things. While the outfit is still on sale in the lingerie chain's 150 stores in Australia and New Zealand, the Australian Nursing Federation has called for a boycott of the stores unless the outfit is withdrawn.

In America, 300 nurses wrote to protest Disney's Jessica Rabbit nurse pins, which were created to honor nurses during Nurses Week in 2003 and 2004. Disney eventually removed the pin from sale.

A Dallas massage parlor that had displayed two billboards of nurses on a popular freeway agreed to remove them after complaints.

A TV ad for a Vancouver radio station showed nurses who were wearing skimpy outfits dancing and singing around a hospital nursing station until an elderly patient called out, "It's time for my sponge bath." The British Columbia Nurses Union asked its 25,000 members to contact Z95.3, the station's owner, the ad's creator and national broadcasting groups about the ad. The station pulled the ad. Where's Benny Hill when you need him most?

HORNY-METER

Scientists have invented a machine that measures electrical activity in the brain to tell how horny a person is.

Patients are asked to watch sexy videos along with non-sexy videos. Electrodes attached to their skulls read the electrical brain wave responses to the images. A computer analyzes the data to measure the patient's libido. The device was created by a team at Rambam (Rambam, thank you, m'am.) Hospital in Haifa, Israel.

Sharday

THE YEAR'S BEST DISCOVERY
Teen Tit Dream
All-Natural Sharday leads this month's parade of newcomers!
SHARDAY'S DEBUT ISSUE NOV. 2001

The NEW naturals

The September 2001 "20 Greatest Naturals" issue had just been put to bed when we first set our eyes on the girl who would immediately make that 20-best list obsolete. On her 18th birthday–May 15, 2001–Sharday walked into the *SCORE* studio, took off her bra and made it clear that a mega-discovery on a par with Devon Daniels, Linsey Dawn and Chloe was in our midsts. This 42-28-38 DDD-cupper from Texas (by way of Puerto Rico) was the total package.

The "Teen Tit Dream," as we called her on the cover of the Nov. '01 issue, has never disappointed, though not a week goes by when we don't get a letter asking, "When is Sharday going to do hardcore?" Probably never. And, yet, Sharday was an easy winner of 2001 Newcomer of the Year and 2002 Model of the Year (and finished 40 votes short of winning in 2003). One look at these new pics of Sharday tells you why she's among the all-time greats. Four years later, still amazing.

Inesse

The NEW naturals

"Spectacular beauty and amazing natural tits in one package," is how R.P. from Florida described Inesse, who debuted in the Holiday '01 issue. Indeed, few models have combined facial beauty with tit power like this Latvian princess, who once asked us, "Why can't men stop looking at my breasts?" The answer is obvious.

The NATURALS

HE WAS A ROOKIE IN PURSUIT OF BASEBALL'S BIGGEST PRIZE: THREE PAIRS OF HUGE, NATURAL TITS.

FICTION BY RON HOBBS

I looked like the typical major league ball player: standing out in rightfield before the first pitch, hand digging in my crotch, adjusting my jock. The problem was not an itch, though, but the fact that my cup felt like the one I had worn in Little League when I was 12. I had just been promoted from a Triple-A ball club to a team in the middle of a pennant race–right to the big leagues–and standing there during the National Anthem, I was getting a boner I could do nothing about.

My big break was getting the opening pitch out of the way. Once the game started, I did not have to think about anything but playing, which was good. I walked my first time up and check-swinged a high chopper for my first major league hit in the fourth. The innings were flying by, and in the top of the seventh, something finally came my way.

A long fly ball towards the corner had me running full tilt. I did not think it would go foul, and I was in an unfamiliar field, trying to play it by the book. *Track the ball, track the fence, track the ball, track the fence, track the ball, track the three chicks in the bleachers with huge tits…track the ball…*

Luckily, the wind held the ball up, and I did not face-plant into the padded wall and hauled in the fly ball to end the inning. But I had to take one more look up into the stands. Had those three girls with the major-league cans been there all game? They probably had. I had been so nervous standing out in right field with a hard-on pushing my jock out of place, I had not looked at the fans. Boy, had I missed a show!

I was not due up in the bottom half of the inning, so I took a spot down at the end of the bench and hung with the off-day pitchers, like rookies usually do. I got some pats on the back for the catch and tried to pay attention to the game but continually found myself looking out towards the rightfield stands. Even from the dugout, you could not miss the three hot chicks sitting side by side, each looking like they were smuggling cantaloupes under their shirts. A thought struck

SWEAT

me during the sing-along of "Take Me Out To The Ball Game." *Did Barry Bonds ever think about jacking off during the seventh-inning stretch?*

When the game ended, I had had a debut that could not have gone much better. Had a hit, decent catch, scored a run, and we picked up a game in the standings. Later, the girl I had nicknamed Red showed up in the parking lot and gave me a fantastic slow-stroke hand job. I felt up her big, God-given knockers while she jacked me off and let me know that I had been rewarded for my first major league hit. I wondered what I might have gotten had my first hit been a double or triple or even a homer instead of just a single.

With two games to go before the All-Star Game, things were going pretty good for me. I was batting around .285, and while the travel was tough, the games were not. I had become a favorite of the ménage-a-bra in the rightfield stands. Apparently, the big-titters were season-ticket holders. I had not mentioned anything about them to my teammates, although I was pretty sure those girls hadn't gone unnoticed. At least not by the straight guys.

With one game left before the break, our division rivals had won six straight, and we were four games out. We were losing and in danger of falling not only five back but into third place. I had been up twice, struck out once and grounded into a fielder's choice. Losing 2-0, we went into the eighth against a hard-throwing lefty, and I thought I might get pulled for a pinch hitter. But we strung together a few hits and scored a run, and I got a chance to bat with one out and runners at the corners.

A decent fly ball would tie this thing up, and I was looking for a pitch to drive. Looking fastball on a three balls-one strike count, I got the pitch I was looking for. And I got all of it. I drove a ball out to dead center and over the 410 sign and sent the stadium into bedlam. It was the opposing reliever's first blown save of the season, and the guys forced me out onto the top step of the dugout for a curtain call.

With most of the guys heading home for the break, I caught a late dinner with a few of the stragglers before heading back to the hotel. The restaurant owner had paid our tab, and I felt on top of the world. It was late, but I decided to grab a final brew at the hotel bar then head upstairs to pass out. The bartender congratulated me, refused everything but my tip for the beer, and I caught the highlight of my own game-winner on the television before turning to leave.

I never got to, though. A hand slipped around my arm, and a gorgeous, raven-haired beauty (who I had wondered if I would ever get to meet in person) led me towards the ladies' bathroom. She was about five-foot-two with tight, black curls and a rack that would leave a blind man speechless. She was wearing a little cut-off jacket and tight blue jeans. Her name, she said, was Christy, and I knew she was one of the heavily racked girls from the bleachers.

The ladies' bathroom was empty, and Christy wasted no time. My beer found a spot on a sink top, and she opened my mouth with her tongue. I tasted like beer, but she tasted like something spicy, like a shot of Captain Morgan. Her tiny hands worked my belt loose and yanked down my pants. She ground her hips against me, and I could feel her wetness right through her jeans. My cock ballooned to full hardness.

I turned her around and roughly bent her over the sink, pressing my erection into the crack of her ass. I had both hands fondling her globes, and she cooed when I gave her nipples a little pinch. She undid her pants and pushed them down around her ankles before gripping the sink for support. My own shorts were down now, and I peeled her dripping panties to her ankles. She wore boots, so the clothes would not be coming off. This was going to be all business, a rough and nasty fuck in the hotel john, and to hell with it if somebody walked in on us.

Christy's pink was slick and juicy, and the insides of her thighs were greasy with pussy lube. Her cunt lips were thick and meaty, and I grunted when they spread wide for my cock. Christy had taken off her shirt, and from behind (as I plunged my pecker into her gash),

"So if I said you need a bigger desk, would that be sexual harassment?"

"Sweet face. Amazing tits. Great body. How did C.J. not win?" That's what we wrote when C.J. finished third to Crystal Gunns for 2002 Newcomer of the Year. "C.J. is the next Linsey Dawn McKenzie," raved reader P.M. from California. But we were closer to the mark when we called her the next Devon Daniels: a model who came, made her mark and left before we'd gotten to know her. These pics were hand-picked from the three sets of C.J. that were lensed for *SCORE* and *Voluptuous* before she stopped modeling. We're trying to convince her to return, but for now, these photos will have to suffice.

The NEW naturals

What if...Ines Cudna was a whore? Nothing could be further from the truth, of course, but that's the question we pondered when we lensed this unique spread of Ines, smoking and wearing a wig and looking rather whorish at a seaside estate in Costa del Sol, Spain.

Ines Cudna

Every other time that we've seen pictures of Ines, she's looked like the young, fresh-faced beauty that she is. But these photos of Ines, quite possibly the most facially stunning *SCORE* model ever, show off her versatility as a model… and are testament to her smoldering sexuality. No wonder, then, that Ines (already a three-time *SCORE* covergirl) is one of only two models (Linsey Dawn is the other) to have had a full-length *SCORE* calendar devoted to her. And that's damn fine company to keep.

THE NATURALS

Continued from page 44

I worked the heavy-duty clasp on her bra. Four clips held it closed, and none of them looked like they were not working hard. Christy yelped when the snaps finally came undone, and her tremendous breasts hung free.

This girl was some kinda stacked, and not a bit of her tits were manmade. Her all-natural boobs slapped against the porcelain as I fucked her doggie-style, and she did not stop talking dirty from the minute I penetrated her.

"That's it, keep pounding my pussy," she said. "Every fucking inch, I want every fucking inch!"

That was a request I had no problem with. I slapped Christy on the ass, and she meowed like a cat. She thrust her ass back at me as I fucked her harder and harder.

"Fuck me 'til I cum! Oh yeah, that's it, fuck me 'til I cum!" she cried, and I felt a flush of wetness soak my crotch hair. Christy was bucking against me and the sink, and I thought she might shake the fixture off the wall. I watched her face contort with orgasm in the mirror, where I could see those enormous knockers swinging while I plowed her.

I pulled out so I could sit her on the sink and have those mammoths in my hands and mouth. Christy bit my ear and demanded that I suck her titties, spreading her knees as wide as possible with her jeans and panties tangled around her feet. I pressed my dickhead against her entryway and drove it home. Christy howled and clawed my neck, and I squeezed her nipples hard.

"Don't stop," she hissed in my ear. "Make me cum again before you blow your load."

I worked her nipples between my teeth and tongue. They were big and round and got darker and puffier the more attention I paid to them. And I paid a lot of attention to them. This was the biggest-titted girl I had ever seen in person, even at a strip joint. She squeezed her breasts together, creating a cleavage tunnel through which I could see my pole skewering her cunt, which was oozing goo in buckets down the sink top. I pulled her knees up so they were riding my hips, and with her leaning back against the mirror, I grabbed her breasts and mashed them together, kneading and groping them, leaving palm prints on her pale skin. Christy put her hands on mine while I increased my thrusting. She closed her eyes.

"I'm gonna cum!" she whined. "I want you to cum with me! Don't take your cock out of me, please! Just fuck me, fuck me!"

Christy let her head drop against the mirror, and I erupted inside her pussy as she dug her hands into my hair and pulled my mouth to her chest. I gave her boobs a tongue bath while my cock quivered deep inside her, squirting out the last of my nut butter. When I finished cumming, I slowly pulled out. Ropy strands of Christy's love juice hung off my dick, and a puddle had formed on the floor at the base of the sink.

Christy took a fistful of paper towels and tried only half successfully to mop up the wetness between her legs. Her panties were stained with cum and cunt juice. She had a tough time working her jeans up her damp thighs but finally managed to do so. I did not want to be the guy who cleaned up in the morning.

Christy did not want to come upstairs, though I did offer. She kissed me full on the mouth. Her tongue danced and made me stir in my shorts again. The bar was long closed. She grabbed my bulge and took her tongue out of my mouth.

"We'll do this again sometime," she promised. "I haven't been laid like that in a long, long time." With that, she gave me one last kiss, and headed out the door. Then she stopped, turned around and said, "Oh, and congratulations on your big hit. You're my best game-winner yet."

I headed up to my room, warm beer in hand, thinking about the three girls in the bleachers. One had given me a hand job for my first major league hit. Now I had just gotten the fuck of my life for my first game-winning homer. I wondered what I would have to do to get the third chick, the most super-stacked of them all, and what my reward would be.

"It doesn't matter if they're real or not as long as I get a real hard-on!"

But maybe I should not have been thinking that way. Two weeks later, we had made up two games in the standings, but I had had only one good game in my last nine, and my bat-

The NEW naturals

Who owns the record for having the most appearances in *SCORE* in one year? It's not Linsey. It's Nicole Peters, who made six appearances in 2004 (including her Newcomer of the Year spread in the May '04 issue). Not bad for a shy gal who got relegated to a top-corner spot on the cover of her debut issue (April '03) and didn't show pink until her third appearance. But even after seeing Nicole in six out of seven issues, you didn't tire of the girl who one reader said "has the potential to be the greatest ever."

Nicole Peters

Nurse Nicole... imagine that! "I've always liked taking care of people, so it's not such a far-fetched idea," said Nicole, who works as a counselor for underprivileged children. A woman of many talents (Nicole is an artist and showed off her work in the July '04 issue), Nicole has never fully grasped her talent at turning men on. "I'd like to be very well-known, like Linsey, but I don't think I will be," she said. But time will be the true judge of Nicole, and so far, time has been very kind to her.

Brandy Talore

She was a cheerleader in high school. She played on the girls softball and basketball teams and ran track. When she debuted in the June '03 issue of *SCORE*, she said, "I hate the word tits. It's so vulgar." Brandy truly is a nice girl. A fine girl. And she's cute as can be. All of which make it so much hotter when she shows her tits and spreads her pussy and does oh-so-much more.

Brandy is one hot fucker and cock sucker, which she proves in the new XXX-rated release *Busty Hookers* (available on page 114). But these pictures prove that even without a cock in her mouth and pussy, Brandy deserves her place among the greatest naturals of this decade. "She looks like the girl you can bring home to mama," said R.T of Dallas. "But then when the parents go to sleep…" Brandy takes over.

Carmen is finishing up nursing school, which kinda gets us worried that she might foresake us for the halls of some hospital somewhere. But don't worry. "I love dancing and I love fucking and I love nursing, so why can't I have it all?" said the co-star of the new XXX-rated video *Busty Hookers* (available on page 114). Hey, why can't she?

THE NATURALS

Continued from page 54

ting average had dipped into the mid .270s. After adding another homer in the first game after the break, I had not driven in a run or hit anything more than a single–and precious few of those–since. I had though, made my first error in the bigs and then another one in the very same inning. That night, I also took the collar in four at-bats, and when I walked out to my car, I noticed a lump on my windshield that I was really hoping was not a dead bird.

Instead, it was a balled up piece of fabric with something stiff inside. When I freed it from under my wipers, I was staring at a bra that, at first, I did not think could be real. I almost missed the note tucked inside one of its cups. It would have been easy to miss. Whoever had placed it there could have fit a Stephen King novel in it…in hardcover!

I unfolded the note. It read, "Stop pressing. Relax more. Don't be afraid to go the other way with the outside pitch. We're all rooting for you."

It was signed Leah. I did not have to be a detective to put two and two together. And, she was right. I had been pressing. I had been thinking more about what I had to do at the plate or on the field to keep the crazy sex going than on actually doing what I did best: just play. When was the last time I had taken an outside pitch the other way? A month ago? Even more?

I took the bra and got into my car. I had to know at least what size it was. But inside, I found no label, nothing at all. Then it hit me. This was no ordinary bra. This thing had to have been custom made, and it probably cost a fortune. If Leah was paying by the stitch, this thing would have been expensive even using third-world labor. I did not know just what cup size the bra accommodated, but after years of big boob fascination, I knew that there were crazy sizes like H and F and even double and triple sizes with those letters. If I had to guess, I was holding at least a triple-something bra, and just the thought of seeing who could fill it gave me a hard-on that I could have stabbed a water buffalo with.

By the weekend, I was back on track. Back-to-back three-hit nights had pushed me back to .280, and I was hitting the cover off the ball. Next up, we had a double-header against the divi-

sion leaders, who would have to brave our home field that afternoon. The whole team was psyched.

The first game was a nail-biter, but we pulled ahead in the eighth inning for a 4-1 triumph. That cut our division deficit to one game heading into the second half of the doubleheader. I got my first intentional walk in the fifth after doubling my first time up, and I followed that with a bases-clearing double in the sixth. We went into the ninth tied, and with two on, I hit my second double of the game to win it. For the first time since opening day, we were back in a tie for first.

Later that night–or was it the next morning?–I stumbled into my room after way too much celebrating and saw that I had left the light on. I would have ignored it but for the music. The television was on. Leah, the third girl from the bleachers, was lying on the bed.

"Thought you might stand me up," she said, pouting before grinning. She patted the bed, and I went over to her.

Leah was a big girl. She had a nice, round ass, she was tall, and of course, the tits. Gargantuan. I could not help but stare at them.

"I have your bra," I stammered. "Thanks for the tips."

Leah smiled, leaned in close and kissed me. I wrapped my arms around her and started fumbling with clasps that could barely hold her bra closed. She did not want to wait either, and helped me unfasten it. She sat up and slowly peeled it off her boobs.

"Holy shit" was all I could muster. Leah made all the big-boob mag girls I had jacked off to seem small. She put her hands beneath her tits and gave them a little lift.

"Are those…?" I asked, unbelieving.

"All mine?" she said. "You bet, rookie. Like them?"

I nodded and dove right in. I could not hold one of her massive tits in both of my hands, and our boob play alone must have lasted for half an hour. Even a guy hung for porno would have lost his cock between her soft, fleshy knockers, and I was happy when my prick disappeared into her cave of cleavage.

"Just how big are you?" I asked, using both my hands to cup her boobs while rocking my prick between them.

"48FFF," she said. "They run in the family. Think you have enough cum to cover them?"

Kelly Kay

As you stare at 19-year-old Kelly Kay–and imagine that it's your car the 2004 Newcomer of the Year is washing and sitting on–ponder this: Kelly is the latest in a long line of British models who have been compared to Linsey Dawn McKenzie. This time, will the comparison finally hold up?

Girl-next-door face. Firm, natural (and still-growing) F-cup breasts. Long legs and a bangable ass. Kelly truly has it all, which is why she has already been our covergirl two times. But what's next for this student, who still lives at home with her mother? "Being the next superstar is about more than just having a pretty face and great tits," wrote A.R. from Danbury, Connecticut. "A lot of *SCORE* girls have had that. In fact, most do. Being a *SCORE* superstar means evolving over time and reinventing your look and doing new things. Can Kelly be that kind of model? I think she can." We agree. Do you?

I did not think the entire team and maybe half our farm system had enough cum to cover those rockets, but I was not going to let Leah know that. I kept fucking her tits, and all the while she was staring at me, just giving me sexy looks and occasionally closing her eyes as I worked over her puckered nips.

"You want me to cum on your tits?" I said, seeking approval.

"This time," she said, spreading them slightly so I could slip free. I gripped my shaft and sperm started spurting out. Jizz erupted onto her mounds. Mounds? These were mountains, all-natural wonders of the world. I jacked off the rest of the way, directing squirt after squirt onto her cans. Even when I had milked my bone dry, the ball batter seemed insignificant on those humongous hangers. Leah did not seem to mind, though. She sat up and scooped a fingerful of ball sauce into her mouth. My cream was thick and hot on her lips.

"Yum, yum," she said. "More where that came from?"

Leah used a pillowcase to wipe the spoo off her knobs, and we changed positions, this time with her on top, stroking my shaft back to life and straddling my hips, directing my cock into her vice-tight love tunnel. Watching her ride me, those knockers swaying over me, my hands barely able to contain them, made this the best fucking I had ever done. Leah rode me slowly but then increased her pace and finally was bouncing up and down on my groin and moaning loudly. Since I had already spent a huge load on her chest, I held out. Leah got to cum this time, and I felt her pussy clamp down on me like a fist while her orgasm tore through her. Seeing her breasts tremble while she came was a sight I will never forget. When she collapsed on top of me and let my dick slide out of her slit, the sheer weight of her breasts was astounding.

Leah got down on all fours. She understood what I wanted and grabbed the headboard while I took up a position right behind her. Pussy juice was still seeping out of her, dripping onto the bedspread. I reached between her legs and felt her jerk with an electric response. My hand came away wet, and I ran my fingers between her ass cheeks. Leah gasped, and I pressed my prick up

against her asshole. She opened up only a little bit, and I had to gradually work the tip of my cock into her. Leah pressed against me, pulling an inch inside her, then another, and another. Her pussy continued to drip.

"Oh, baby, you wanna fuck me in the ass? Are you gonna fuck my ass?" she said. But I already was fucking her in the ass, and Leah's soft encouragement was all the extra incentive I needed. I had blown one load and was preparing to blow another, and from behind, I could see Leah's boobs touching the sheets, they were so big. Leah would occasionally let go of the headboard with one hand and reach down to cup one of her nipples, and watching her play with her own tits had me that much closer to cumming again. What finally did it, what made it impossible for me to hold back any longer, was the sight of Leah reaching under one of her tits and pulling it to her mouth so she could suck her own nipple. With that, I started losing my rhythm and felt the tell-tale signs of an impending spew.

"Are you gonna cum?" Leah said. "Are you gonna cum in my ass? Do it! Do it, baby, cum in my ass! I want you to cum in my ass!"

My hips heaved, and I let loose with a torrent of love lava that made Leah jerk when she felt it explode inside her. She cried out that she could feel me filling her ass with my load, and there was no doubt about it. I pumped her ass for all I was worth and might have dehydrated myself if we had kept going.

Leah stayed the night but rose to leave early the next morning. I got turned on just watching her dress. The effort it took her to keep her tits in control just to get her bra snapped shut. How hard she worked to wriggle back into her T-shirt. I wanted to fuck her again right then. But she had to go, and in four hours, I would have to be back at the stadium.

"Like how it feels being in first place?" she asked before she left, cluing me in, finally, to what it had taken to get her into the sack. I told her I did, and I hoped that things would remain that way. Leah smiled wickedly and wished me luck. I couldn't wait for game time. The longer we stayed in first, it seemed…

Then something occurred to me, and it had my cock standing at attention. If this was what I got with the team in first place, what would those all-natural, sex-crazed tit goddesses do if we made the playoffs?

SCORE SAVED THEIR MARRIAGE

Dear *SCORE*,

I am writing to give you many thanks for producing such a wonderful alternative to the loneliness and lack of sex that my husband has otherwise had to endure because I am no longer sexually interested. My name is Mia, and I've been married for five years to my love, Dave, and for three years, everything was magic. Then, without warning, it just happened. I no longer had any sexual desire. It damaged my marriage, and he was considering divorce.

Thankfully for me, I decided to talk to my husband about whether or not he would enjoy being able to jerk himself off while looking at beautiful, naked babes in men's magazines. He agreed to it and agreed to stop hating me. We went to the liquor mart, and he picked up the April '05 issue of *SCORE*, and when he saw Brandy Talore on the cover, I could see his pants crotch bulging and his heart was pounding loudly, and I said to him, "You can have it if it will make you happy," and he glowed with approval.

At home, as soon as we got inside, he undressed himself like someone who could not get undressed fast enough. He was so excited! Once naked, he laid down on the bed and started looking through the pages. He jerked off three times that evening and never bothered me during the night. He really loved the picture of Minka in the Xtra section. He's now having wet dreams about her. He loves her. Thanks!–Mia, Hacienda Heights, California

DICKS, DILDOS AND ASSHOLES RUINED *SCORE* FOR THIS GUY

Dear *SCORE*,

While browsing through a newsstand magazine rack, I was attracted by *SCORE*, which I noticed is advertised as "#1 In Big Boobs." So I purchased a copy. Later, when I examined it, I discovered that in addition to big boobs, *SCORE* assaults my eyes by also showing dicks, dildos and assholes on nearly every page, a distracting and unforeseen sight which totally negated my enjoyment of the photos.

I liked girlie magazines better before they came wrapped in clear plastic. Then, one could flip through a maga-

Luma

It was Luma's misfortune–and *SCORE* readers' good fortune–when Luma and Kelly Kay debuted in the October '04 issue. Kelly got the main cover shot, and Luma got a little picture off to Kelly's left. But Luma's F-cups could not be hidden, and now the question must be asked: Who is the greatest big-titted Brazilian ever, Luma or Sylvia Panda?

Luma, discovered by one of our big-tit hounds in South America, stands 5'6" and weighs 145 pounds. Sylvia Panda is 5'4" and weighs 134 pounds. Luma measures 44-28-38 and fills an F-cup bra. Sylvia measures 42-28-36 and also stuffs her tits into an F-cup bra. Both exude the smoldering sexuality Brazilian women are famous for. But which model is better? *SCORE* Men, it's time to check in.

WHY THE MAIN MAG GOT BIGGER & XTRA GOT SMALLER

Dear *SCORE*,

I just purchased the May 2005 issue of *SCORE*. You are running an amazing magazine. I did notice that this month, there are only two pictorials in the Xtra section. I know that previous issues had three pictorials. Is this going to be the norm from now on? I am sure that other guys want to have as many XXX layouts as possible.

I would like to know what the chances are of the following models doing XXX layouts: Nicole Peters, Ines Cudna, Kerry Marie, Nadine Jansen, Angela White, Kelly Kay, Kellie Garnett, Jezhabelle, Diane Poppos and others?–T.S., Pittston, Pennsylvania

You don't have to wait to see Diane Poppos doing the nasty on camera. She does it all in the three-hour DVD *The Diane Poppos Collection*, available on page 31.

Dear T.S.: Regarding SCORE*'s new look, we realized that we could cut the Xtra section in half (from 32 pages to 16 pages) while cutting the number of pictorials in the Xtra section by only a third (from three to two). Then we decided that we could add those 16 pages to the main mag, thereby providing more girls and more pictorials in each issue. Over the years, many readers have said that two pictorials, rather than three, would be enough. So how about it, guys? Do you like the new makeup of* SCORE*: 116 pages of main mag plus a 16-page Xtra section? Or did you prefer the 100-page* SCORE *with a 32-page Xtra section? By the way, although readers in the UK still don't get the Xtra section (unless they're subscribers), they're getting a mag that's 16 pages longer than previously.*

As for the chances of the girls you mentioned doing XXX…Diane Poppos fucks and sucks in the videos that comprise The Diane Poppos Collection *(see page 31 to order). As for the other girls, we keep asking, and they keep saying no. We seriously doubt that Kerry Marie, Nicole Peters, Kelly Kay and Nadine Jansen will ever do boy-girl. We might have a better chance with Angela White, Jezhabelle, Kellie Garnett and Ines.*

A PENNY FOR HIS THOUGHTS

Dear *SCORE*,

This is the first time I've written in, but I absolutely had to. Regarding Penny Porsche in *SCORE* February '05: Please, can we see more of her, and quickly? I can't get enough of this girl and every part and curve on her, and I need another dose quick! So, again,

The NEW naturals

Bea Flora

SCORE magazine is steeped in tradition. And, traditionally, the Newcomer of the Year and/or Model of the Year graces the cover of the annual awards issue. So when that tradition is put on hold, you know that the model who gets the cover has to be extra-special. In the June '05 issue, Bea Flora was that extra-special model.

Bea has the overall beauty and huge, firm, heavy hooters that legends are made of and is the latest and (possibly the greatest) in the new wave of big-titted Eastern European models. But wait! Before you hand 2005 Newcomer of the Year to Bea, finish looking at her pics on the next spread, turn the page twice more and take a deep breath.

FACES? THEY HAVE FACES, TOO?

Dear *SCORE*,

As a longtime Scoreland subscriber and an even longer reader of *SCORE* and *Voluptuous* magazines, I can say The SCORE Group far surpasses all the other porn providers in giving us beautiful, busty babes.

The girls who are really the most special are the girls who have drop-dead-gorgeous faces as well as big tits. And with this in mind, I'd really like to see some full-frame close-ups of the models' faces. I think it would be great to see, in each magazine pictorial and every online photo set, a head shot of the model. Girls like Ines Cudna, Sharday, Desirae, Brandy Talore, Jezhabelle, Inesse, Kerry Marie and Nadine Jansen are absolutely stunning from the neck up, and I'd really like to see their pretty faces get the cameras' full attention more often.–T., via email

BRANDY & LUMA: UNDERRATED

Dear *SCORE*,

SCORE and *Voluptuous* are still the best adult magazines for big boobs, and I still enjoy every issue that I get my hands on (which is most issues).

Someone who should get more hype then she does is Brandy Talore. I would love to see a website devoted to her. I liked seeing her on the cover of the April '05 issue of *SCORE*. The minute I saw that, my dick grew hard and I couldn't wait to see her inside the magazine. She has the boobs and the body that work well for both *SCORE* and *Voluptuous*. I hope and trust that you guys will be showing a lot more of her.

Luma is another girl I would love to see on the cover of either *SCORE* or *Voluptuous*. I have enjoyed every one of her photo shoots (*SCORE* Oct. '04, *Voluptuous* Sept. '04 and Holiday '04). Keep pictures of her coming. One last thing: show more of her ass. Wow!

Come on, guys, where are the photos of Diane (Feb. '05) with her panties off? Hell, I would even take more pictures of just her face and boobs, so let's see more.–C.B., Kansas

Dear C.B.: Trust us, we're working on it. As you should know, we've devoted our lives to getting big-busted 18-year-olds to take their panties off.

"BEA IS FOR BEAUTIFUL," SAYS READER WHO JACKED IN PUBLIC

Dear *SCORE*,

Today I bought the June '05 issue with 42FF-26-34 lovely Bea Flora on the cover…but not without some folks accidentally seeing my hard, swollen dick jump out through the open fly of my trousers and dancing to and fro like crazy because Bea's huge 42FFs got me super turned on.

Bea's beautiful face and big boobs got my dick so hard, in fact, that it was sticking straight up and slapping against my gut area, and within 15 seconds, pre-cum was oozing out, building up and dangling from the head of my dick. I was just feeling way too wonderful to stop staring at her huge honkers when, all of a sudden… SMACK! A woman smacks me in the face as hard as I can ever remember, and I was now out of the trance and getting myself back to normal.

At home, I had lots of fun jacking myself off while worshipping Bea's 42FF boobies. I tossed off four times before I was done. I love Bea!–Dan, Walnut, CA

Dear Dan: Get ready to toss off a few more times. Bea makes her encore on page 98 of this special issue devoted to the great new naturals of the decade. She also made her Voluptuous *debut in the July '05 issue, available at* eBoobStore.com.

The NEW naturals
Here's Merilyn. The best way to wind up this "New Naturals" edition. The way we hoped to wind it up when we conceived the idea several months ago. You see, we thought it would be appropriate to conclude this issue with a brand-new newcomer who was worthy of inclusion in this exclusive issue. And when we first saw Merilyn, we knew we had our girl.

Her full name is Merilyn Sakova, she lives in Russia, and she's 20 years old. And she found us! Merilyn emailed us some topless pics, and we immediately dispatched one of our scouts to the small town where she lives. His report: "Merilyn is just as amazing in person as she is in pictures."

We think Merilyn is in the same class of big-titted model as Nicole Peters and Sharday: A stunner. A covergirl. A babe who'll be compared to the all-time greats, like Linsey, Devon and Chloe. Plus, right off, Merilyn shows no hesitancy to strike the poses that make us want to whip it out and jack. She's a natural. And now she's one of The New Naturals. The perfect topper to a memorable issue.

In many ways, we've watched Annie grow. We watched her finish second, as a novice model, in the 2002 Newcomer of the Year contest. We watched her have sex with a girl, Autumn-Jade, in *Bosom Buddies #5*. We watched her fuck on film for the first time in *Voluptuous Xtra #5* and again in *Voluptuous Xtra #6*. But, to be honest, in both of those Xtra videos, Annie had sex with…well, somebody she knew. In these pics, though, Annie is doing it with a professional porn stud for the first time. NEW ON DVD & VHS BUSTY HOOKERS!

THEY HAVE BIG, NATURAL TITS & THEY LOVE TO FUCK. BUT IT'S GONNA COST YA, BUDDY!

Kelly Madison

SCORE Girls are good girls, right? Well, yeah…kinda. But good girls gotta eat and pay the rent, too, and in the new DVD/VHS *Busty Hookers*, four naturally racked babes show us how they'd pay the bills…if they were so inclined. This is raunchy sleaze cammed in cheap motel rooms, and it features Kelly Madison, who's driving her car, dressed like a slut, when her call to action comes by phone.

Carmen

Carmen, one of *SCORE's* top newcomers of 2004, is a street-corner hooker who's dressed to fuck and suck. "I need some fucking money, man," she says. Carmen is approached by a French guy who can barely speak a lick of English but is willing to fork over serious cash for the chance to lick this busty hooker's tits and gash. $2,000? Hey, that's chump change for the chance to fuck Carmen.

Busty Hookers

Brandy Talore

Brandy is too cute to be a pay-for-play slut? Hey, looks can be deceiving. She's a call girl who delivers just what the customer ordered: a naturally big-titted brunette who knows how to fuck. Yeah, she's expensive, but ball-licking is included in the price of admission… to her mouth and her pussy. First the lucky guy blows his wad of cash, then he blows his load of cum all over her chest.

Alexis May

Here's a street-corner whore who gets to work right away: She blows her john right in the car, priming him for the pussy product that's to come when she gets him back to her motel room. $500 for these tits and that pussy? Damn, that's a heckuva bargain! And so is *Busty Hookers*. Just $39.95. Much less than the price of a professional blow job. Get it on page 114 of the main mag.
